## **OBJECTIVE**

---

Skilled journalist seeking a writing or video editing position with a news organization or television station to develop story ideas, write, shoot and edit for multiple digital platforms that could be used for website and social media purposes. As a team player, who embraces the tenets of professional journalism, I'd use my strong communication and writing skills, as well as being organized and media savvy, to build sources and cover news. I am proficient in a variety of technologies and can work under tight deadlines.
